

Knoxville's Riverboat Tours

Tennessee Riverboat Company

Depending on the day of the week, you can experience a cruise down the Tennessee River to the tune of songs from the 60's, 70's, 80's, 90's and today while you enjoy a dinner buffet or enjoy a romantic and elegant dinner cruise.

buffet or enjoy a romantic and elegant dinner cruise.

A daily lunch cruise features a full lunch buffet as the

Captain gives an informative commentary on the

Tennessee River as well as the "Star of Knoxville."

On Monday evening, you can hear live Gospel music aboard the riverboat as passengers enjoy a buffet dinner and an opportunity to fellowship with like-minded people.

For country music lovers, a dinner cruise features some of the best local country entertainers in the area while passengers enjoy a Southern Buffet with pulled pork barbecue, Cajun chicken, potato salad, cole slaw, corn, baked beans, baked apples, fresh baked rolls, coffee, tea, and dessert.

An elegant and romantic cruise consists of very versatile groups playing a variety of music for your listening and dancing pleasure. This dinner cruise features our delicious slow roasted prime rib buffet with baked breast of chicken, tossed garden salad, baked potato, fresh garden vegetables, green beans, fresh baked rolls, coffee, tea, and dessert.

Enjoy a daily lunch cruise featuring a full lunch buffet as the Captain gives an informative commentary on the Tennessee River as well as the "Star of Knoxville."

NavCal River Rides

NavCal provides history / sightseeing cruises on the Tennessee River in Knoxville. Aboard the boat, you will learn the history of the area during the steamboat / Civil War era and see the world famous Body Farm.

This enjoyable 90 minute narrated sightseeing / history cruise takes you up and down the most beautiful part of the Tennessee River.

Evening sightseeing cruises are offered on Saturday at 7:30 p.m. May through October.

NavCal offers longer distance cruises than most any other vessel in the East Tennessee area.

Travel 46 miles round trip to Louisville, TN and back at a relaxing speed of about 10 miles per hour. You may bring a lunch to eat at Louisville Marina or go to Louisville Marina Restaurant for lunch. This cruise is designed to show you some of the prettier homes and sights along the upper part of the Tennessee River at a relaxing pace.

A 92 mile round trip to Ft. Loudon Marina travels at a more brisk speed of about 15 miles per hour. You may bring a lunch or dine at Calhoun's at Ft. Loudon Marina for lunch. On this trip you will see more of the river and the approaches to the Fort Loudon lock. You will also see Ft. Loudon Marina, The Watts Bar Belle, and Calhoun's restaurant on the water in the interesting marina area.

A two-day cruise to Spring City and back is a 206 mile trip with one lock through each way. Meals and an overnight stay at Arrowhead Resort and Marina before the return trip are at the expense of passengers. You will pass through the Ft. Loudon lock with its 74 foot drop/lift and spend the night at the picturesque Arrowhead Resort and Marina. You will see 46 miles of Ft. Loudon Lake and 57 miles of Watts Bar Lake while passing through Loudon, Kingston, and the mouth of the Clinch River.

A two-day cruise to Chattanooga is a 184 mile trip with three lock throughs. This trip will cover the most Beautiful part of the Tennessee River all the way to downtown Chattanooga and the Tennessee Aquarium. In Addition to Ft. Loudon lock you will pass through Watts Bar and Chickamauga locks. You will pass through the Tennessee Wildlife Refuge on the Hiwassee River with all of its interesting bird life.

A four-day cruise to Chattanooga and back is a 368 mile trip with three lock throughs each way. Meals and overnight stays at Arrowhead Resort and Marina and Chattanooga are at your own expense. This is the longest trip at this time for the really serious cruiser. This trip gives you twice the opportunities for photographs.
